WAZA FC PLAYER REGISTRATION CHECKLIST

Congratulations and Welcome to Waza F.C.!

PLEASE COMPLETE THE FOLLOWING THREE (3) STEPS TO GET YOUR PLAYER REGISTERED TO PLAY FOR WAZA F.C.:

1. Complete player commitment form at the player registration desk and choose player jersey number.

2. Complete on-line registration through Sports Forms:

You will need to upload

- ☐ **Age Verification Document** - Copy of a birth certificate, or valid passport.
- ☐ **Player Passcard Photo**- headshot (head and shoulders only)

3. Pay Your Deposit

- ☐ **Mandatory Deposit \$250.00** Paid by credit card, check payable "Waza FC" or by Venmo.

4. Accept Invitation to team snap that will be emailed to your email on file.

4. Order Uniform Kit

- » **All PLAYERS** must order a new uniform kit.
- » You will **receive a email from Soccer.com** to purchase uniform kit online and will be shipped to you directly, Orders must be placed **no later than July 1st** to receive on time. Goal Keeper kit is optional. (Samples will be available onsite during tryouts for sizing).

6. **Register on-line www.wazafc.com - Pre-Season Camp 5:30-8:30pm @ Livonia Bicentennial Park** (pre-season camp is include in your club dues)

Questions

Any questions or concerns regarding player registration or uniforms should be directed to:
Waza FC Club Manager **Colleen Debolski 734-787-1321** cell or email colleen@wazafc.com.

2023-2024

“WAZA” MEANS “TECHNIQUE”

» Waza FC brings to the soccer community an instrumental feeder system for boys and girls from the developmental stage up to the youth/travel, state premier, regional, high school, college level, and professional levels.

» Our focus is on developing the techniques necessary for a player in every aspect of the game, and taking them as high as their talent and desire will allow. This belief is followed on the field and off by teaching techniques to use in their daily lives.

» We do this in a unique and multi-cultural family environment.

***Developing today's youth soccer players...
Preparing tomorrow's young adults!***

What started as a few teams in 1999 has now ballooned into a high-profile, widely recognized soccer club of over 2,000 players on 120 select teams in Michigan.

- Waza FC, since 1999 in Livonia area
- Professional, Semi-Pro, and Adult teams
- Pro Beach and Foot Volley teams
- Waza Developmental Program

COMMUNICATION WITH THE CLUB

Coach Questions/Concerns

Serious problems or concerns with the coach should be addressed with the coach first. If the situation is not resolved, this **MUST** be communicated to the clubs Director of Coaching (DOC).

In order to get quality and timely communication in the event that you, your player or a member has a technical or administrative issue or concern, you must follow the communication process outlined below.

First Step: Ask the **Coach** (technical issues) and/or the **Team Manager** (administrative issues). Often this is the fastest way to get issues resolved.

Second Step: Contact the **DOC** (technical issues) or the **Club Administrator** (administrative issues).

Please help Waza FC staff serve you better by adhering to this process. We are confident that your questions will be addressed more quickly, and to your greater satisfaction, if the process listed above is followed.

WAZA FC PRACTICE & GAME FIELDS

Waza FC teams use the following fields for practice and/or games. Please adhere to the guidelines listed for each site. **Regardless of the location, please make sure that the players and families leave the fields clean.**

2023-2024

FREQUENTLY ASKED QUESTIONS

What is the Waza FC philosophy on player development?

Player development is our main concern. Each level offers different stages of expectations. The focus is completely on individual skill development and ball mastery for all age groups U11 and below. Winning is not our main concern at these ages. Developing a love for the game, having fun, and creating well-rounded players are key components. U12 age groups and above become more competitive and eventually there must be a balance with development and success. With proper training, this is a natural course. Coaches are responsible for outlining and communicating a player development curriculum which will fully develop our youth players under the Waza FC coaching philosophy

What additional training is available?

In addition to our regular team training, players will be able to take part in technical training or developmental training. Trainers of these group sessions will focus on the technical side of the game, incorporating as many touches as possible into the extra session. When does the season start and end? Waza FC is a year-round program. Tryouts will immediately follow the conclusion of the previous year. Training will begin in mid August, games in September and tournament before the season starts. The season can really be broken down into 4 phases: Summer Camps, Fall training & league play, Winter indoor training & indoor leagues, and Spring league play,

Where are practices?

Outdoor practices are held at Bicentennial Park in Livonia. Indoor winter training is held at Total Soccer Farmington, The Livonia Athletic District, and Futsal training in Canton.

How often are practices and games?

Teams will practice at least twice a week outdoor fall & spring. Winter indoor training will be held twice a week (1 futsal training & 1 indoor training) from November through March.

How much travel is involved?

Our leagues are comprised of clubs throughout the local area. Travel will be dependent on which teams from these clubs are in your division. In some cases, travel will be minimal. In others, you may have 1 or more travel games involving extensive travel. Tournament travel varies by team. In most cases, teams in the U10 and below ages typically attend tournaments within 50 miles with the possibility of 1 tournament at greater distance. Older teams may choose to travel more extensively determined by competitive goals. Our top teams within the older age groups will travel as necessary to find the level of desired competition and showcase opportunities for next level play.

What if my child plays multiple sports? How do the coaches view this?

We believe in allowing our players, especially at the younger ages, to play multiple sports. Overall motor skills development, coordination and agility can be greatly affected by playing sports of differing demands. Coaches will have an understanding of these opportunities to build a more rounded athlete that ultimately benefit the player in the long run. Older teams will expect a higher level of commitment and it may become more difficult to participate in multiple sports.

2023-2024

What equipment does a player bring to practice?

All players are required to wear cleats and shin guards. Players will also need to bring the team soccer ball and water.

Do the Goal Keepers receive individual training?

Yes, Goal Keepers have their own trainer George Tomasso who offers keeper training all year.

Who do I contact if I have a concern?

- For any general concerns about Waza FC, please contact Club Manager
- Colleen Debolski 734-787-1321 cell or colleen@wazaafc.com
- For team specific concerns, please follow this chain:
- Coach first,
- Then Director of the Age Group.

FREQUENTLY ASKED QUESTIONS: TRYOUTS

Does my child need to attend both scheduled tryout dates? Or can they attend one of these days?

We ask that each player attend both tryout dates for a complete evaluation and appropriate placement.

What if my child count not attend the tryout dates?

Make-up tryout dates are scheduled. Monday June 12th and June 14th, 6-7pm at Total Soccer Farmington.

If you have missed the make-up tryout dates, don't worry - it's not too late! Give us a call! Refer to the contact information for the Nationals location of your choice.

What is the player selection process?

Coaches will make player selections for their team beginning the very first day of tryouts. Selections will continue throughout all tryouts sessions.

Once a coach notifies a player that they are selected to a team, the selected player and a parent/guardian will proceed to the "Player Contract" area at the tryouts facility. A player contract indicates the player's commitment to the team. It will be given to each player for signature by the player and the parent/guardian while on-site at tryouts.

At the time the contract is being signed, you will receive additional information about the next steps required for complete player registration with the league and the club.

How many players are selected for each team?

This varies by team based on age and roster size

2023-2024

WELCOME TO WAZA TRACK CLUB! CELEBRATING OUR 14TH ANNIVERSARY!

We strive for first every second!

ABOUT WAZA TRACK CLUB

Waza TC is a non profit focused on the development of our athletes. Everything we do is athlete focused. We charge reasonable fees for the sake of the program so that we can continue to provide the best environment for our athletes. If we have athletes that are in financial need, we offer scholarships with the expectation that those that receive such scholarships will provide a fair level of effort to assist with club administrative and fundraising efforts.

WHAT IS WAZA TC?

Waza TC was founded in 2006 to provide Waza FC (Football Club) soccer players the opportunity to cross train and compete in track and field. Many athletes train with Waza TC to improve their speed, strength, endurance, agility and conditioning. Others train to compete in the AAU and USATF series of track meets. Our athletes range in age from 7 to 17 years old. The Club's athletes have matured to become competitive at the local, state and national levels. Our athletes tear it up in their school programs!

WHAT IS THE CLUB'S PURPOSE?

Waza TC exists to develop, train, and inspire its athletes to do their best. We provide a place for athletes to grow, develop and compete where all are welcome and where all benefit from the program. We create a cross-training environment that benefits multiple types of athletes regardless of their preferred event or sport. We encourage athletes to balance sports, academics, and leadership so that when their high school careers come to an end, they have multiple opportunities. We create a track team that sincerely welcomes all, but also performs at an extraordinary level in national competitions.

HOW DO I GET MY ATHLETE INVOLVED?

All kids with an interest in Track and Field are welcome. Waza TC is not restricted to Waza FC soccer participants. The athletes training and competing with Waza TC are significantly faster, stronger, better conditioned, and more confident than when they started.

HOW MUCH DOES IT COST?

Cost for participation is \$300 for indoor track, \$300 for outdoor track and \$200 for cross country for athletes. The cost includes a uniform, training equipment, facility fees, club membership, and club insurance. Meet fees (range between \$5 and \$45 per meet), shoes/spikes, and travel costs are the athletes to bear. In recent years, we raised money to offset lodging costs in out-of-state locations. Transportation is up to individual families.

For more information about our track club, please contact one of the following:

Fall Developmental Training

Tuesday's or Thursday's: 5:30-6:30pm

Tuesday's 5:30pm - 6:30pm

September 12, 19, 26, October 3, 10, 17

Location: Total Sports Farmington
22777 Farmington Rd, Farmington, 48336

Waza Developmental Academy is a recreational soccer program designed for youth ages 4-10 to learn, develop and apply their soccer skills. Our training program focuses on teaching the fundamentals of soccer by giving players lots of opportunities to dribble, pass and shoot the ball. Each session is designed to improve each player's technical ability and confidence with the ball and is led by experienced, professional soccer players who are passionate about player development. Our coaches focus on creating fun, energetic environments that provide technical repetition with the ball at the players feet.

Our Developmental training program includes age appropriate instruction once a week. Training sessions include soccer fundamentals, technical games, and small-sided scrimmages

Thursday's 5:30pm - 6:30pm

September 14, 21, 28, October 5, 12, 19

Location: Livonia Rec Center
15100 Hubbard St, Livonia 48154

What to Wear / Bring each Session:

Each player should wear athletic attire, such as shorts, and a t-shirt or sweats on the really cold days. (All players will receive a t-shirt.) Shin guards and cleats are highly encouraged for player 6 and up. Younger players may wear traditional gym shoes. Players should bring a soccer ball. Any size will do, but ideally a size 3 for ages 3-7 and a size 4 for ages 8-10.

Most importantly:

Please bring plenty of water for your soccer player(s) to stay hydrated!

Trainers: Mario Scicluna and Waza FC staff

Cost: \$120 - 6 training sessions & a T-shirt
